A PARTNERSHIP BETWEEN ETHEKWINI MUNICIPALITY AND THE UNIVERSITY OF KWAZULU-NATAL

In 2006 Mayor Obed Mlaba presented the first cheque to Deputy Vice Chancellor Professor Fikile Mazibuko at the inauguration of the 5-year Memorandum of Agreement between the Municipality and the University

A strong working partnership has been forged between eThekweni Municipality and the University of KwaZulu-Natal. Funded by the city, it has the goals of developing capacity to provide service delivery, researching improved water and sanitation systems and ensuring that implemented projects are economically and environmentally sustainable. Additional research funding is provided by the Water Research Commission and the National Research Foundation.
