

VOTE FOR YOUR FUTURE

The #AtikuPlanForYOUth

Atiku Abubakar knows that Nigeria's future depends on Nigeria's youth. That's why we've gone through #TheAtikuPlan to bring you the #AtikuPlanForYOUth – summing up his most important promises and policies.

With only **10 days to go** until #NigeriaDecides 🗳️, take a look and see why a vote for @Atiku is the only credible vote for your and Nigeria's future.

GOVERNMENT

Atiku's government will:

- Be led by a cabinet of 40% youths and women
- Be more accountable, more inclusive and more efficient
- Foster unity, cooperation and common purpose

EDUCATION

Atiku will:

- Devote 25% of the budget to education – Buhari allocated just 7% in 2018
- Build an education system that's accessible and relevant to a modern economy
- Increase primary school enrolment from 60% to 90%
- Increase secondary school enrolment from 47% to 80%
- Develop core education and vocational training in STEM subjects
- Reduce the gender gap by providing grants and scholarships to girls

JOBS

Atiku will:

- Create up to 3 million new private sector jobs each year
- Provide at least 2 million internships and apprenticeships each year through the Industrial Training Fund (ITF)
- Train 1 million unskilled young people each year through the National Open Apprenticeship Programme (NOAP)
- Initiate youth-targeted job creation and entrepreneurship development programmes
- Harmonize federal and state job creation agencies

HUMAN CAPITAL

Atiku will:

- Put more women on corporate boards
- Give more rights and better funding to marginalized groups
- Support technical colleges to offer innovation-based skills
- Update vocational training to respond to local skills demand
- Provide start-up training and funding to graduates

ECONOMY

Atiku will deliver, by 2025:

- A \$900 billion, top 20 global economy
- 10% annual growth
- \$5,000 GDP per capita up from \$2,000
- 50 million people lifted from extreme poverty
- Low inflation, and stable forex and interest rates
- FDI worth at least 2.5% of GDP
- Growth in manufacturing from 9% to 30% of GDP

BUSINESS

Atiku will boost MSMEs by:

- Offering new tax breaks and rebates
- Increasing lending and strengthening links with productive sectors
- Incentivizing new microfinance solutions through a Financial Innovation Fund
- Injecting at least \$250 million of private funding via an SME Venture Capital Fund

Atiku will develop future sectors by:

- Attracting non-oil FDI with stronger credit guarantees and low corporate tax
- Fostering domestic ICT via a diaspora bond and stronger intellectual property rights
- Providing new financing and infrastructure to the tech start-up ecosystem
- Promoting tech R&D through a National Research and Innovation Fund

SPORTS AND CULTURE

Atiku will:

- Promote a wider range of sports beyond football
- Upgrade all sporting facilities to international standard
- Create jobs in the sports sector by encouraging private investment
- Actively promote Nollywood to make it the 3rd largest film industry in the world
- Harness and showcase Nigeria's musical, literary, artistic and performance traditions

Young Nigerians: **YOU deserve** a brighter future than the one Buhari is able to offer.

This is **YOUR LAST CHANCE** to vote for the only bridge to a brighter future: **VOTE ATIKU.**

This is the #AtikuPlanForYOUth. Make it a reality and go vote @Atiku for President on **Saturday, February 16.**
